

C-Class Saloon

Mercedes-Benz

Welcome to the comfort zone.

Sporty elegance, innovative safety technology and a luxurious interior
make the C-Class Saloon your comfort zone.

The design: sportiness meets modern elegance.

The exterior design is defined by reduced lines and lavishly sculpted surfaces. This minimalist design idiom combines elegance and sportiness as a matter of course.

The dynamic front section, an extended wheelbase and sporty powerdomes give the C-Class its clear forward thrust.

The interior: the expression of progressive comfort.

The digital cockpit, the large touchscreen in the centre console and a progressive trim element concept make it absolutely clear: the C-Class Saloon embodies modern elegance.

The drive system: innovative and efficient.

In the Mercedes-Benz C-Class Saloon you will find the current-generation petrol and diesel engines. The innovative technology, featuring an integrated starter alternator, makes the C-Class agile and effortlessly superior when accelerating.

Climb in. Take a deep breath.

The extensive comfort highlights in the C-Class Saloon relax you from the very first second. From the multicontour seats¹ with eight massage programs, through the impressive ambient lighting¹ to the pioneering ENERGIZING Packages¹ – it all makes your C-Class an oasis of relaxation in every situation.

¹ Optional equipment depending on the individual configuration.

The safety: reassuringly Mercedes-Benz.

The intelligent safety concept in the C-Class Saloon is pioneering. The many innovations make every journey more pleasant and safer. The updated Driving Assistance Package¹ thinks for itself. And above all: of you. The centre airbag and PRE-SAFE® Impulse Side² are further safety features designed for your protection.

¹Our driver assistance and safety systems are aids and do not relieve you of your responsibility as the driver. Please take note of the information in the Owner's Manual and the system limits which are described therein.
²Optional equipment depending on the individual configuration.

Modern elegance: digital first.

Advanced voice control¹ and a multimedia system that learns from and with you. The further development of the innovative control system MBUX makes your C-Class Saloon a digital comfort zone. This includes pioneering features such as Augmented Video¹ for Navigation and the enlarged head-up display^{1, 2}.

¹ Optional equipment depending on the individual configuration.

² Our driver assistance and safety systems are aids and do not relieve you of your responsibility as the driver. Please take note of the information in the Owner's Manual and the system limits which are described therein.

Thinks for itself and above all: of you.

A comfort zone in which you can fully relax, even in stressful situations such as in a traffic jam. The innovative safety and assistance systems in the C-Class Saloon are all part of this. The advanced PRE-SAFE[®] system and the Driving Assistance Package^{1, 2} can protect you when it matters.

¹ Optional equipment depending on the individual configuration.

² Our driver assistance and safety systems are aids and do not relieve you of your responsibility as the driver. Please take note of the information in the Owner's Manual and the system limits which are described therein.

ENERGIZING Packages.

The ENERGIZING Packages¹ make your relaxation the highest priority. Choose from different mood modes such as “Vitality”, “Refresh” or one of the three training programs.

¹ Optional equipment depending on the individual configuration.

Ambient lighting.

The lighting concept extends from the centre console through the entire vehicle. 64 colours alternate dynamically or illuminate several areas of the C-Class in different colours. Lean back and relax.¹

DIGITAL LIGHT with projection function.

The high-resolution DIGITAL LIGHT¹ adapts optimally to any situation and at the same time ensures more comfort. Various lighting functions react to the surroundings and other road users to ensure ideal light conditions.

¹ The availability of the equipment, functions, features and services shown depends on the respective vehicle model, the individual configuration and the respective market.

² Optional equipment depending on the individual configuration.

Multicontour seats for driver and front passenger.

Tailor-made to pamper you: these seats combine a wealth of adjustment options with exclusive feel-good extras. Ergonomic details enable you to adopt a perfect seating position: inflatable side cushions ensure strong lateral support. Pleasant massage functions with up to six different programs make every journey a pleasure.²

The AVANTGARDE design and equipment line.

The AVANTGARDE exterior combines stylish design elements such as 17-inch light-alloy wheels and numerous chrome accents on the front apron, radiator shell and rear apron. The result is an exceptionally expressive vehicle. With the AVANTGARDE interior, you can demonstrate stylish sportiness. Seat covers in ARTICO man-made leather and fabric, for example, are evidence of the first-class quality.

¹ Optional equipment depending on the individual configuration.

The AMG Line.

The powerful styling of the AMG Line Exterior¹ includes the AMG front apron with large air inlets and the diffuser-look rear apron. 18-inch AMG light-alloy wheels emphasise the athleticism of your vehicle at first glance. This is how you show your preference for expressive design. The AMG Line Interior¹ gives your vehicle visibly and tangibly more sportiness. The multifunction sports steering wheel in Nappa leather and the AMG sports pedal system in brushed stainless steel enhance driving pleasure.

The Night Package.

Expressive black design elements enhance the exterior of your vehicle. These include the exterior mirror housings and trim strips on the front and rear aprons. Tinted windows complete your sporty, individual appearance.¹

¹ Optional equipment depending on the individual configuration.

Experience strong leadership that brings joy.

One suspension – three set-ups: with the suspension featuring the Adaptive Damping System¹ you can choose between outstanding agility and high damping comfort. To match the route and your personal driving style. And the rear axle steering¹ also makes the vehicle both more manoeuvrable in day-to-day life and more stable at higher speeds.

¹Optional equipment depending on the individual configuration.

State-of-the-art, efficient drive systems with an integrated starter-alternator.

An integrated second-generation starter-alternator is located between the engine and the gearbox. This innovative system takes on the function of a hybrid assistance motor, allowing additional torque to be unleashed during acceleration.

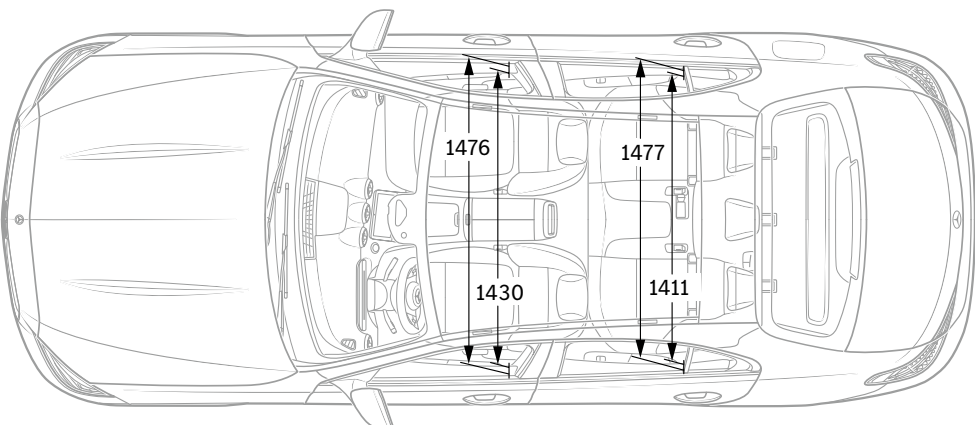

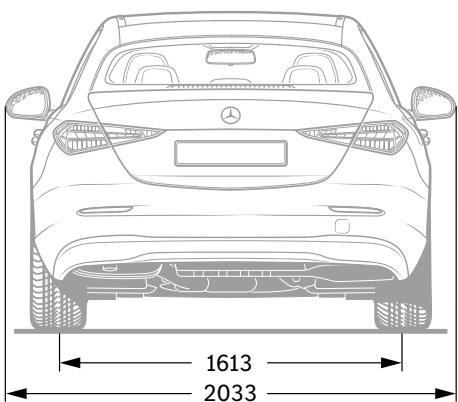

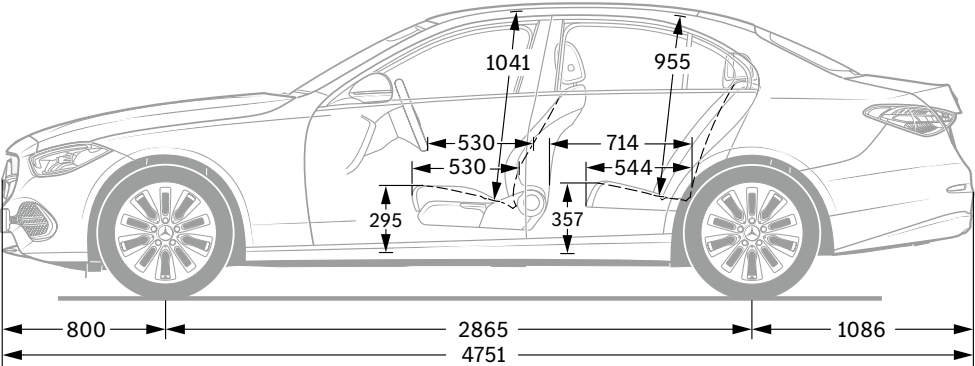

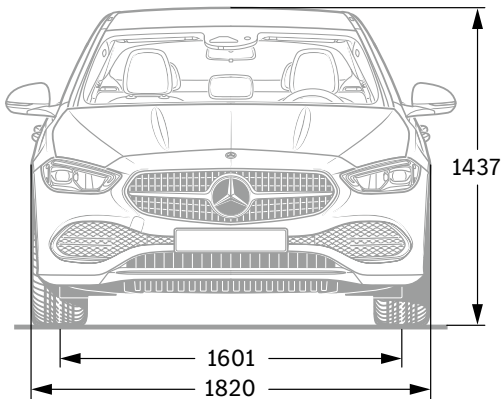

Technical data.

	Diesel engines		Petrol engines		Plug-in hybrid engine
	XXX	XXX	XXX	XXX	XXX

The best for the engine:
Mercedes-Benz genuine engine oils.

¹Figures for rated output in accordance with Regulation (EC) No. 715/2007 in the currently applicable version. ²Available for a brief period. ³Electronically governed. ⁴The figures shown were calculated according to the prescribed measuring method. They constitute the “NEDC CO₂ figures” pursuant to Article 2 No. 1 of Implementing Regulation (EU) 2017/1153. Fuel consumption figures have been calculated on this basis. More information about the official fuel consumption and the official specific CO₂ emissions of new passenger cars is available in the publication entitled “Leitfaden über den Kraftstoffverbrauch, die CO₂-Emissionen und den Stromverbrauch neuer Personenkraftwagen” [“Guide on the fuel economy, CO₂ emissions and power consumption of all new passenger car models”], available free of charge at all retailers and from Deutsche Automobil Treuhand GmbH at www.dat.de. The figures are not based on an individual vehicle and do not constitute part of the product offer; they are provided solely for the purpose of comparison between different vehicle models. The figures will vary according to the selected special equipment. ⁵Information only valid within the European Union. Details may vary from country to country. ⁶Calculated on the basis of the measured CO₂ emissions, taking into consideration the vehicle mass. Valid for Germany only. For further technical data, please visit www.xxxxxx.xxx

Dimensions.

All figures in millimetres. The dimensions shown are mean values. They are valid for vehicles with standard equipment and in unladen condition.

Please note: changes may have been made to the product since the editorial deadline (13.11.2024). The manufacturer reserves the right to make changes to the design, form, colour and the product specification during the delivery period, provided these changes, while taking into account the interests of the vendor, can be deemed reasonable with respect to the purchaser. Where the vendor or the manufacturer uses symbols or numbers to describe an order or the subject of an order, no rights may be derived solely from these. The illustrations may show accessories and items of optional equipment which are not part of standard specification.
